

Privacy Policy

Effective Date: June 26, 2026

1. Introduction

Artisticos1106 ("we," "us," or "our") operates <https://www.artisticos1106.ca/>. We offer art workshops for adults and children. We protect the privacy of all participants in line with the Canadian *Personal Information Protection and Electronic Documents Act* (PIPEDA).

2. Children's Privacy

Our workshops serve children aged 7–12.

- We do not collect data directly from children.
- A parent or legal guardian must complete all registrations and forms.
- We delete any data accidentally submitted directly by a child under 13.

3. Information We Collect

We only collect information required to register participants and run safe workshops:

- **Adults:** Name, email address, phone number, and payment details.
- **Children:** Child's name, age, and any necessary allergy or medical alerts.
- **Emergency Info:** Name and phone number of an alternate contact person.
- **Payment Details:** Credit card data processed securely through our payment provider. We do not store financial details.

4. How We Use Information

We use your data strictly to:

- Book workshop spots and send registration confirmations.
- Contact you about schedule changes or cancellations.
- Process payments and issue receipts.
- Manage health and safety requirements during class.

5. Media and Photos

We love celebrating student creativity by sharing photos of finished art projects or hands working on projects during our workshops.

- **Adults:** We may take photos of adult participants during class. Please inform your instructor before class if you prefer not to be photographed.
- **Children (Ages 7–12):** We strictly **never** take photos or videos showing a child's face, body, or identifying features. We only photograph the artwork itself or hands creating the art.
- **Anonymity:** No names or identifying details will ever be published alongside images of artwork.
- **Personal Media:** You are welcome to photograph your own (or your child's) artwork and progress.

- **Privacy:** Please get permission before photographing another student's work.
- **No Full Filming:** Recording full step-by-step instructor demonstrations is prohibited. Clips under 15 seconds for social media are allowed.
- **Existing Photos:** Any photos currently published on our website or social media featuring people are of friends and family who gave explicit consent for initial promotional purposes.
- **Removal:** You can request the removal of any photo of your or your child's artwork at any time by emailing us.

6. Data Sharing and Retention

We never sell, rent, or trade your personal information. We only share data with our secure payment processor to complete transactions. We keep your details only as long as needed to provide the workshop or meet Canadian tax laws.

7. Contact Us

You can access, correct, or delete your personal data or your child's data. Contact us at:
